School Librarians Ensure Student Success

Title I – School librarians and access to effective school library programs impact student achievement, digital literacy, and school climate/culture. Title II, Part A – School librarians share their knowledge from conferences and workshops, applying the benefits of new techniques, strategies, and technologies across the district.

Title II, Part B - School librarians are uniquely suited to lead the effort in applying for competitive grants because of their expertise and access to strong professional learning networks.

Title IV, Part A – School librarians provide personalized, rigorous learning experiences supported by technology, offering instruction and equitable access to print and digital resources to ensure a well-rounded education for every student.
